

REMARKS

The subject case is a PCT application entering the US National Phase under 35 U.S.C. § 371 and Article 39(1)(a) of the Patent Cooperation Treaty. The above amendments are being made to reference the priority applications and to correct informalities in the PCT application. Support for this amendment is found, e.g. on pages 13-28, and the claims of the application as filed.

Claims 10-19 are pending in the application.

Applicants respectfully contend that the application is allowable and a favorable response from the Examiner is earnestly solicited.

Respectfully submitted,

By

J. Eric Thies
